COMMANDER'S COMMENTS

As I write this in mid-February, bands of lake-effect snow are sweeping in

from Lake Michigan bringing periods of overcast skies and heavy snow interspersed with all-too-brief glimpses of blue sky and blessed sunshine. Mother Nature is playing with us. Actually, we haven't suffered too much this winter helped along by the fine hospitality, good food, work and service opportunities and camaraderie provided by our fine Post.

Speaking of work, Phase II of our Post Improvement Project is well underway. Special thanks to: (1) our Post Improvement Project team (Darrel Myers, Leader, Andy VanderHoek, Bill Kaufman and Mack MacKellar), who continue to put in many hours planning, supervising and coordinating the project, and (2) the B&G Committee Work Crew volunteers who have been doing preliminary work preparing the lounge, entrance and dining areas for the arrival of the professional contractors on February 25. And special thanks to volunteers Bob, Chris, Rocky, Big Don, the Ripper (Mike), and Phil L, for donating their talents and time upgrading the Main Lobby with new dry-wall, plaster and paint to complement our new glass doors installed at the Main Entrance. The major project work is expected to last through March and well into April. It is fitting that we will be celebrating the opening of our new lounge, dining and entrance areas (date/time TBD) on the 75th Anniversary of Post 28 being in this fine, old building!

Despite cold wintery weather and work projects, however, it has not been all work and no play at Post 28! And for that, we are especially grateful to everyone who helped provide a very successful and fun Chili Cook Off,

led by Co-Chairmen Phil Smith and Ed Smith with Bill Kaufman (Raffle), Nathan VanKampen (Ticket Sales), and Jason and Julie McKay (Judging). We are also especially grateful to Andy and his crew for providing their usual fine hospitality and beverages, and to all the cook-off teams who prepared some delicious chili recipes. And speaking of entertainment, good food and libations, when you read this, it is safe to assume, the SAL will have already given us another wonderful evening and antidote for the winter blahs with their annual Hawaiian Luau. Mahalo, SAL!

Following tradition, our First Vice Commander, Ed DeKoekkoek, will chair our March 5 Post meeting. Please come and give him your support. If you are interested in becoming a Post officer and/or serving on a committee, contact any Post officer or committee chairperson and let us know.

The next Department of Michigan 5th District meeting will be held on Thursday, March 14, 7PM, at Roger B. Chaffee Post #154 in Wyoming, MI. Hope to see you there.

On March 16 we will celebrate the Legion's Birthday with our traditional prime-rib dinner. The event will be held upstairs in the Post meeting room and temporary lounge, with cocktails at 6:00 and dinner at 7:00. Tickets are available at the bar. Our Guest/Speaker will be Dr. Gary Doublestein, who has served 24 years in our Armed Forces (the Navy, Marines, Air Force, and most recently, Army), including 16 years on active duty with tours in Vietnam (2), Iraq (2), Haiti and Afghanistan. Please join us in showing our appreciation to Gary and his wife, Linda, (a former Navy Nurse) for their service, and in celebration of our Legion's 94th Birthday! We look forward to seeing you there! - Ron Bauer, Commander

Andy's Draught

The remodel is underway. We are serving from the bar upstairs. The pizza oven is in storage. Our Wednesday dinners and Friday burgers are cancelled until the construction is complete. We will not be having any bands or karaoke either. We will have the Pull Tabs and popcorn machine upstairs. We are still waiting to see how much it's going to cost to have Keno moved upstairs temporarily.

The bar will be closed Tuesday March 5th during the Post Meeting.

Access to the upstairs will be from the front entry. The west entrance and access to the elevator will not be available all the time.

Please bear with us as we struggle through the next two months. It will be well worth it when it is all done.

Saturday March 16th we will be hosting our Prime Rib Legion Birthday Dinner upstairs. Tickets are available at the bar. The dinner starts at 6:00 and the bar will be closed during the dinner. We will be in need of extra help getting all the food upstairs. If you can help please let me know.

March drink specials: \$3 KJ Special, \$2 U-Call talls every Monday & \$1 12oz can beer every Tuesday. Cheers Andy

SAL COMMENTS

As I write this, the lake effect snow is falling and it is mighty cold outside. But the arrival of March means that the winter weather will begin to break and we should start seeing some nice days mixed in with the wintry ones. The Post 28 SAL has certainly had a busy winter, with a number of successful events...the first-ever Wild Game Dinner, our annual New Year's Eve Party, Las Vegas Night, and the ever-popular Hawaiian Luau, now in it's 20th year!! I want to thank all of our SAL officers and volunteers who make these events possible. They work incredibly hard behind the scenes and don't get a lot of recognition. These events are extremely popular at our Post, and absolutely would not happen without their efforts...they deserve a huge round of applause!

The big excitement around the Post these days is the renovation of the Legion bar and lounge area...a big project which is just getting underway. The renovation will completely redo the bar, expanding the bar area, adding seating, and making the bar itself considerably more streamlined and functional for the staff to operate. It will also remodel the Post's entry area to make access easier. The SAL is contributing to the renovation by providing a number of new television screens for the bar area. This should make the bar even more "sports-fan" friendly. The SAL is also supplying a number of new high-top tables and barstools to fill the expanded bar seating area. Once completed, I'm sure that the new bar will be the crown jewel of our Post. A number of the Post's regular activities will be suspended for the duration of the construction (scheduled to be completed by May), but the upstairs bar will be open during this time.

In June, the Post 28 SAL has the honor of hosting the State SAL Convention, and we can't wait to show off our newly renovated Post to all the SAL attendees from around Michigan. The SAL convention is the weekend of June 8th, and there are a number of ceremonial and fun activities on the agenda. Hotel reservations have been pouring in from around the state and the convention should be a fantastic showcase of our Post and our SAL chapter. I hope that a large number of our SAL members will attend and participate so we can show the rest of the state what a great chapter we have. Put it on your calendar and I hope to see you all there!

Drive safely (it's still winter for a while yet) and remember to visit our SAL Post 28 page on Facebook, and "Like" it to get all the updates on our events and activities.

Tom Greenberg, SAL Commander

Post 28 has assembled a team "Mudders For Our Brothers" to compete in a "Tough Mudder" challenge Sunday June 30th at Michigan International Speedway in Brooklyn, Michigan to support the "Wounded Warrior Project" & "Operation Comfort Warriors." The Tough Mudder is a 10-12 mile course that involves 20-25 military style obstacles and lots of mud.

Donations can be made at the American Legion Post 28. Cash or checks are accepted. Checks can be made payable to American Legion Post 28 – memo line "Tough Mudder". For more information visit www.toughmudder.com or call Adam Shumaker at (616)617-2722.

Thank you for your support.

Lake Hills Elementary

Honor Guard members Historian Nathan Van Kampen and Service Officer Adam Shumaker were at Lake Hills Elementary school 4th grade class doing a flag presentation. Showed the students how to fold the flag and the proper way to install on the school flag pole. The flag was presented to Principal Jason Lawson.

LEGION RIDERS

March..... I like this month because to me it's the end of Winter. The snow melts away and we see more rain than snow. Yeah I know, we could get more white stuff, but the rain will wash it away the next day. There may even be a Robin out in your yard and that's a sure sign of Spring. It's time to get the batteries back in the bikes and wait for that first 45 degree day and pretend it's 70. The good thing is there are no bugs this time of year. Just watch out for all those big holes in the pavement from Winter and also keep a lookout for other drivers. They won't be used to seeing motorcycles.

We won't be doing the pork dinner this month due to the bar makeover. It sounds like we may be the first to cook when the bar is done.

By the time you read this newsletter we will have had nominations for the 2013 Riders officers. This month we will vote for the new officers who will start their jobs in April. It looks like we are going to have quite a few rides to choose from this season. Local rides like we had last year, some new ones, some longer ones, some overnights, etc. I know that not everyone will be able to go on all rides because they have other plans, but I hope you can all make as many as possible. Let the good times roll! Ride safe. Toby, ALR Director
