COMMANDERS COMMENTS

My fellow Legionaries, it was a great Coast Guard week. The Legion served over 250 dinners on Friday night to the enlisted men, women and their families. Thank you so much to Rick, #92, and all the volunteers for their hard work. We would not be able to do these dinners without you. My hat's off to Andy and his crew for all their hard work and long hours throughout the long week. We have so many volunteers it is difficult to name them all. The comments received all week from Coasties and tourists that were here for the first time ran from beautiful, to

great, to fantastic. We can all be very proud of our beautiful Post. Except for a little well needed rain on Saturday morning, the weather was great. Now that we're in the month of September our attention turns to the September Legion Picnic and the 9-11 program, both will take place on September 11, 2011 at the Legion. The 9-11 memorial will be held at 10:00 AM and the Legion picnic at 1:00 PM. I look forward to seeing many of you there. September also brings the start of road construction on Harbor Drive on or about September 12th, so please be prepared for some inconveniences. In closing, I again want to thank everyone who worked so hard during Coast Guard week. So till next month, I'll see you at the post. Phil Smith Commander Post #28

Andy's Draught

We have set a new Post #28 burger record. Friday July 29th the PPFs (Past, Present and Future Post Commanders) cooked up 440 burgers! That's almost 4 burgers every minute for 2 hours. Great work PPFs. Don't let that number scare you if you were thinking about helping out. We are in desperate need of help for burgers. If we don't have enough volunteers to help burgers will be cancelled. We will pair any new volunteers with an experienced crew to show them the ropes. Let me know if you would like to help. After Labor Day we will go back to our Fall/Winter hours. Monday – Friday 2pm -10pm & Saturday noon – 10pm. Sundays, we will be open the 4th and the 11th, but after that Sundays we will be closed due to the road construction.

We will be hosting the Legion picnic here at the Post Sunday the 11th from noon-6pm. We ask everyone bring a dish to pass. The Post will provide hot dogs, beer and pop.

It is not too early to renew your dues. Feel free to renew at the bar if you don't get a renewal reminder in the mail. You must have your card on you to renew as well as purchase drinks. Don't take offence if the bartender asks to see your card. Be proud to show it. The bartenders are only trying to protect your Post.

We are still looking for a few Veterans to participate in our Wounded Warriors/Healing Waters Fly Fishing program the end of this month. This program is dedicated to the physical and emotional rehabilitation of our Veterans through fly fishing.

Our goal for this program is to teach a group of Veterans the fundamentals of fly fishing. Participants will be instructed on proper casting techniques, including where to cast, choosing the correct weight rod, and choosing the proper flies for the fishing conditions. During the last week of this month, the group will put the skills they have learned to the test during a fly fishing excursion on the Muskegon River.

September drink specials: \$3 Anothers, \$2 U-call talls Mondays & \$1 12oz can beer every Tuesday. Cheers! Andy

LEGION RIDERS

First of all, thank you to all that have been able to come down and help with the dinners. Your help is very much appreciated.

In June we road to the old warriors camp in the upper peninsula and met with the special man that conceived and built the camp.

It is a lodge built for wounded solders from Iraq and Afghanistan to go and relax for a few days and escape the rigorous and painful process they endure while recovering from their wounds. While at

the camp they can hunt, fish, ride quads, snowmobile or just relax. There is no cost for these veterans to stay at the camp. They have already paid the price.

The camp is run and maintained with money from Retired marine Sgt. Bob Blevens (founder of the camp) as well as with donations. The Riders here at post 28 are proud to be able to help with our monetary donation for the 2nd year for this special place. Please see me if your interested in making a donation.

In July we attended the national r.o.m.p.(Riding on military pride) in saint Anthony Indiana were we attended meetings to get up to date on the latest news from national. Other than that all i can say is, it was hot.VERY HOT.

The moving wall was again a big success this year. We had many hugs and tearful story's from family members at the wall with a special visit from the brother of a medal of honor recipient from Holland.. What a privilege to get the story from the tear filled eyes of the brother of someone who received this nations highest honor.

The guys at the wall gave out around 25 medals of thanks to Iraq and Afghanistan veterans while at our post. Thank you all who worked so hard to bring the wall back for another year.

Special thanks to Brent Ewing for his very generous help with the tent.

August 21st we leave for Mount Pleasant to meet up with the legion national legacy run as it makes its way to Minnesota via the u.p.

The winners from the raffle for the t.v.s were Larry Foose from grand haven and Dirk Van Dam also from grand haven.

Congratulations to the winners and thanks to all who bought tickets to help us help our veterans.

God bless those wonderful men and women who sacrifice so much to keep us free.
